ANTHONY LEDONNE

BIO

Anthony LeDonne is a New York City-based stand-up comedian, actor, and author. Originally from Tacoma, WA, his comedy reflects his experience growing up in a small city, trying to make it in a big one, marrying his high school sweetheart, not having kids, and playing dad to an overweight Pomeranian.

You can catch him in *The Marvelous Mrs. Maisel*, *Evil Lives Here*, *The Good Cop*, *Billions*, and the movies *Starcade*, *Girls Getaway Gone Wrong 2*, and *Birth/Rebirth*. He's been featured on Amazon Prime, Hulu, Showtime, and Epicurious, where tens of millions have watched him cook doughnuts and answer viewer questions about how many chocolate chips is too many (no such thing). He also does commercials where he plays roles he's unqualified to play in real life, like a dad.
